Record-Breaking Crowds Observe Remembrance Day

The citizens of St. Albert and military elements joined the veterans in a brief but impressive remembrance day ceremony at the cenotaph on Sir Winston Churchill Avenue, bowed their heads at 11 a.m. for the traditional two minutes silence preceded by the sounding of the Last Post and a gun salute.

The silence was ended by the sounding of Reveille and another gun salute by a battery of the 20th Field Artillery Regiment, LAC Cameron Willis 417 Reserve Sqn, son of George Willis of St. Albert sounded the bugle

calls.

Following the singing of a hymn by Mrs. Jean Dobble and prayers conducted by Rev. R. O. Olson, and Rev. Father Ron Poirier, wreaths were laid by Mrs. Maud Potter representing the Silver Cross Mothers of Canada, whose son was lost in battle in Italy. She was escorted by her remaining veteran son who is resident of St. Albert.

Following the laying of the wreath by W. E. Jamison MLA, on behalf of the Government of Alberta, wreaths were laid on behalf of the Town of St. Al-

bert by Mayor Ray Gibbon, President of 271 Branch, Doug Taylor followed by June Kendel, president of the Legion Ladies Auxiliary reverently placed wreaths honoring their fallen comrades. The cenotaph, around which stood a vigil guard of Navy, Army, Air Force and RCMP, was soon covered with an impressive array of poppies, and wreaths as representatives of St. Albert's clubs, private persons, the military and town's businesses contributed their mark of remembrance.

Following the service, the

Mrs. Felina Borle (foreground) was one of the Sturgeon General hospital Ladies Auxiliary's who escorted high school students through the hospital on Career Day Friday November 10. There were 32 high school students from all school systems in the area participating in this annual Career Day event. The visiting students are shown both patient care and auxiliary facilities in the hospital in an effort to acquaint them with hospital work as a potential career.

Hospital Welcomes Career Day Visitors

The Sturgeon General Hospital held its annual Career Day last Friday and took that opportunity to acquaint high school students of the area with the hospital's functions, facilities and frustrations.

"We try and show prospective staff members what working in a hospital is all about," Miss S. Hyndman, Career Day Tour Co-ordinator said. She explained that on Career Day, the hospital staff attempts to introduce as many phases of hospital work as time permits, to high school students who might be contemplating a career related to hospitals. "We show them both sides of the work involved," Miss Hyndman said, "the glamorous side as well as the not-so-glamorous aspect of hospital work."

This year there were 32 high school students from all educational systems op-

erating within the Town of St. Albert and the MD of Sturgeon. Assisting in conducting tours were volunteer ladies of the Sturgeon General Hospital Auxiliary. The students were brought through hospital departments involved directly in patient care as well as other departments less involved with patient care, such as

purchasing, administration and maintenance.

After all young visitors had an opportunity to tour the more intimate workings of their local hospital, they were treated to refreshments in the hospital cafeteria.

The next Career Day is scheduled for February of 1973.

Board Studies Destiny Of Junior High School

The No. 6 St. Albert Separate School Board is presently studying all aspects relating to the grand opening of Paul Kane High School, scheduled for early March 1973.

But before opening ceremonies are finalized, many details have to be studied. At the November 1 general meeting, the operational schedule of the new \$1.3 million school was unveiled and came under immediate study. The date the new school is expected to be completed is mid-December while early in January, the board plans to inspect the educational complex with a view of accepting it from the builders. Later in January, when equipment has been set in motion, students will be transferred and thus Lorne Akins Junior High will be vacant and left in temporary limbo until definite plans are made. In the meantime grand opening plans for Paul Kane High are being set for March 8, being Education Week.

The immediate destiny of Lorne Akins Junior High School is not clear, because the Separate School Board is confronted with many problems in this regard. The main points of concern include enrolment, costs and timing. To qualify the dilemma Mr. Elmer Gish, school superintendent explains it briefly this way: "We'll have to study our present enrolment in relation to accommodations and equipment in the new Paul Kane High," he said, "before we decide whether we'll operate Lorne Akins Junior High immediately or only in 1973." He further explained that it would ease the pres-

sure on the board, if high school students were simply transferred to the new educational complex and Lorne Akins remained free of students while renovations were made and equipment secured. "This way," Mr. Gish said, "we would have a better chance to budget for the Lorne Akins Junior High for the first semester in 1973."

The board is now studying five alternative plans regarding Lorne Akins Junior High. These plans offer a variety of avenues the school board can take, all of them directly related to expenditures ranging from \$11,450 to \$26,950. These alternate plans under study for the junior high would bring this facility into partial or full operations, depending on the need. In addition to these budgets under study, there is also the question of equipment and renovations.

The board turned the report over to the standing committee for further study and recommendations will be considered at a future meeting.

Meeting establishes Safety Council here

A public meeting called last Wednesday evening by the Steering Committee on a proposed safety program for the Town of St. Albert drew only 12 people, but good groundwork had been done, and a St. Albert Safety Council was formed with five out of six committee co-ordinators appointed, and an overall chairman elected.

Mr. Gordon Goodman, a newcomer to the town with considerable experience, will be chairman of the council. He has 20 years of experience in safety programs and has written a book on industrial safety for his firm, Bristol-Meyers. His know-how, coupled with an obvious enthusiasm for the value of safety programs in

a community, will undoubtedly contribute in a most significant way to the success of the new council.

Dr. Jim Howell, M.O.H. for Sturgeon Health Unit, who has been behind the project from the beginning, will provide needed and knowledgeable advisory service in addition to practical assistance.

The meeting considered recommendations prepared by the steering committee, and it was agreed to call the organization the St. Albert Safety Council, providing there are no objections of a legal nature. The aims and objectives were stated simply, "To reduce accidents in the community." Dr. Howell suggested that the

St. Albert body should become affiliated with the Alberta Safety Council.

Dr. Howell also repeated for the benefit of new people present some interesting statistics reported at the first public meeting, from the Sturgeon General Hospital so far this year:

840 lacerations treated; 105 motor vehicle accidents treated; 37 head injuries treated; 16 skidoo accidents; 10 toboggan accidents; 92 drug overdoses -- would include children taking pills

Chamber plans gala dance for Citizen of Year night

The St. Albert and District Chamber of Commerce perhaps because of the serious image of this national organization, do not often plan social functions, but once a year for Citizen of the Year night they really go all out.

The banquet includes the appropriate wines, flowers are provided for the gracious ladies, everybody enjoys getting dressed up. Fortunately the music does not consist of ballroom minuets however, and the Jack Spider Four band promises

great music for all who love to dance - old fashioned or modern style.

Even those reluctant dragons (husbands we mean) who say they don't like dancing will want to be in on the excitement of the announcement of this year's 'Citizen.'

Anyone wanting tickets might do well to get them soon: Emery's Pipe Shop, Bank of Nova Scotia, Jim Byrne, Peter Zuidema on the Mall; Grandin Agencies, the Postmaster and The Gazette downtown, or collar a Chamber member.

One of the highlights of the Remembrance Day program was the presentation of a cheque for \$1,000 by June Kendel, president of the Legion's Ladies Auxiliary to Legion President Doug Taylor. The presentation was made November 11th evening at the banquet held in the Club Mocombo here. The money will go towards the purchase of a \$1,000 debenture in the Building Trust Fund. June was in turn presented with a bouquet of roses by Polly Swenarchuk on behalf of the Auxiliary in recognition of her outstanding leadership during the past three years.

Deadline

Work is well advanced on the St. Albert Directory and as previously advised the deadline for inclusion is November 23. The co-operation of advertisers and new organizations since November of 1971 will ensure that no firm or group wishing to be included is overlooked. Please telephone Ethel Ward at 599-7144 or 599-6591 before November 23.

eeteters, for an inglorious total of 1,100 at this one hospital.

The third recommendation that the entire program could be covered by six basic committees was accepted by the meeting. A discussion of these was aided by slides: Road and Vehicle Safety, Home, Industrial and School Safety, Personal and Community Safety, Fire Safety, Water Safety and Education and Information.

Mr. Goodman pointed out that not all accidents result in injury and his first slide illustrated what he termed an accurate statistic that out of 800 incidents, (an example of such being slipping and falling on a freshly-waxed floor), 30 will result in serious accidents and one will cause a fatality. Dr. Howell observed that 8 St. Albert people have been killed by accidents this year, not necessarily in St. Albert.

Each committee will have lists of areas under their responsibility and these were discussed and several additions made by the meeting. Dr. Howell stressed it is very important not to overlap what someone else is already doing.

Co-ordinators who have agreed to serve were appointed: Eric Robinson to Road and Vehicle Safety; Barbara Munroe to Water Safety; Nick Koch to Fire

Safety; Cpl. Stan Fookes to Personal and Community; Nick Chodan to Education and Information. The appointment to the sixth committee, Home, Industrial and School is yet to be made. Bud Thorndike will be town council representative and Jane Nelson, ISS representative, will serve as secretary, until one is elected.

There was some discussion on the matter of investigating accidents, with a view for information which would lead to prevention in future.

Dr. Howell was "leary" of the investigation idea. Mr. Goodman felt each committee could do some investigation work in its own area, and a liaison with somebody at the hospital for feeding statistics would be helpful. Dr. Howell suggested that each committee should begin work mapping out exactly what information they will need. Resource material is available in practically every area of the safety program, often at no cost, said Mr. Goodman.

All committees will also report to the Education and Information committee so that they can keep the public fully informed. The importance of education in safety was strongly stressed in the discussions.

Mr. Goodman also commented that each committee will have to begin work in a particular area - "we

can't possibly start on them all." All committee co-ordinators will be free to attract interested citizens to serve, and from the original meeting on safety, held October 5th, attended by about 30 people, there is a nucleus to draw from at the outset.

Meetings will be held on the second Tuesday of each month, which was established by co-ordinators present at the meeting, as the evening most open for all.

Attending the meeting were: Nick Koch, Nick Chodan, Peter McCaffery, Barbara Munroe, Jane Nelson, Pat Gray, president of the Newsmen's Club, Rod Thorndike, Stan Fookes, Dave Thomas, Dr. Howell, Gordon Goodman and Shirley Jamison of The Gazette.

The Committee co-ordinators met at the home of Chairman Goodman last night and Mr. Goodman announced that the sixth co-ordinator, for Home, Industrial and School safety, has been appointed, in the person of Mrs. Joan Gance.

Special book marks, book lists, and book bags will be distributed during the event. For St. Albert to wish your public library during Young Canada's Book Week.

Every year libraries across Canada set aside a week in which special attention is turned to children and their relationship with books. The importance of that relationship cannot be overemphasized. The most demanding task that society as a whole has to fulfill is the realization of the potential which lies in its children. One of the best means of developing that potential is through the use of books. Books, to use an old cliché, hold the key to the past, the present and the future.

In the past, Young Canada's Book Week has tended to be promoted almost exclusively by libraries and librarians. This year everybody who in any way enters into the relationship between a child and his book - librarians, booksellers, publishers, parents, teachers - is invited to join in the celebration.

parade moved off to march past the reviewing stand at the Town Hall, where Lt. Col. W. Ames, Commanding the 20th Field Regiment took the Salute. The parade marched past smartly in review, composed of veterans of St. Albert Branch, Royal Canadian Legion, led by Parade Marshal Jim Dobbie, followed by squadrons of 74 Communications Group (Militia) two squadrons of which flew by Hercules aircraft from Vancouver and Calgary. The 745 Squadron Edmonton was commanded by Major Ed Taylor of St. Albert. Other groups consisted of the St. Albert Air Cadets, 180 Cadet Group Edmonton, Boy Scouts and the Lions Clubs.

The evening was marked by a banquet of legion members and friends at the Club Mocombo. W. E. Ernie Jamison, MLA for St. Albert

The young man burst into the boss' office, "I'll have to have a raise sir, there are three companies after me."

Impressed, the boss demanded of the young executive, "What three, may I ask?"

"Light, telephone, and water!"

A young enthused son said, "Dad, I have my first part as an actor. I play the part of a man who's been married twenty-five years."

"That's a good start, son," assured the father, "Just keep right at it and one of these days you'll get a speaking part."

was guest of honor and keynote speaker.

Included in the evening's program was the drawing for the color television set and consolation prizes in the draw held in aid of the Pollo Foundation Fund and Legion Building Fund. The winning ticket pulled by Ernie Jamison sent the main prize to a lucky winner in Calgary. (See list of winners in this issue).

Ernie Jamison, MLA for St. Albert stepped into the breach when the scheduled guest speaker, Marcel Lambert, MP Edmonton West was unable to leave Ottawa because of urgent matters in the Capital, delivered a moving talk on the fellowship found in The Royal Canadian Legion.

"The Legion is a very special organization," Mr. Jamison said, "special, be-

cause I believe it's one of the few . . . perhaps the only . . . really classless groups of men and women the world over."

An ex-RCAP pilot himself, Mr. Jamison expressed his opinion that it was due to this classless factor, that the Legion enjoyed its strength today as it did right from its very inception. Mr. Jamison concluded by saying that the 'classless' concept continues to be of tremendous importance . . . "regardless of whether the war is fought in the trenches or the fight is for a decent and honorable world . . . where men with guts can still be counted on to show the way . . . men and women with the same basic values of these first Legionnaires." Wally Stenachuk, Immediate-Past Legion President was master of ceremonies.

Experienced social worker to discuss behaviour problems of learning disabled kids

The Sturgeon-St. Albert Association for Children with Learning Disabilities is pleased that Mrs. Gail James will be here to address the next public meeting on understanding and management of learning disabled children. Mrs. James, a social worker, is currently working with children and their various problems at the Edmonton Public School Board clinic, and also ser-

ves on the professional advisory board of the Edmonton Association for Children with Learning Disabilities. She has been concerned and involved with the diagnosis and treatment of the exceptional child for many years, and has a wealth of experience and information to share with parents and teachers.

The behaviour problems

exhibited by these youngsters who experience difficulty in learning are often bewildering and frustrating to the various people who must live, and cope with them. These children may feel terribly inadequate, become tense, anxious, depressed, angry, aggressive belligerent, defeated, 'lazy,' passive - and exhibit a whole host of other symptomatic behaviour - which often frustrates and bewilders them no less than the people who must live and cope with them.

Several requests from both members and non-members of the association for some guidance on home

management indicated the need for group discussion for further understanding of various behaviour problems, including hyperactivity. Although a minority of hyperactive children have genuine learning problems, all children in this group find it difficult to concentrate, which affects the learning process. Parents and professionals wanting advice about specific problems will welcome the opportunity for discussion with Gail.

The meeting is to be held November 20, at 7:30 p.m. in the music room of the Leo Nickerson School. Everyone is welcome to attend.

At their regular meeting, held last Monday at the Club Mocombo, the Kinsmen Club of St. Albert officially welcomed seven new members into their ranks. The seven are already finding themselves hard at work on various committees and projects being undertaken by the Kinsmen. Seen above are six of the new Kins with their membership certificates. Lillian Vague honoured by Sturgeon ATA

On October 28 President T. Parsons, of Sturgeon ATA Local #27 invited Mrs. Vague and her husband to the Local's banquet and dance at the Beverly Crest Motel.

Mrs. Lillian Vague was presented with a Life Membership to The Alberta Teachers' Association by the president, Mr. Jampolsky "in grateful recognition of years of service to the association and to the welfare of youth in this province."

Mrs. Vague began her teaching in 1926 at a school near Onoway; then to Coal Hill School, Camrose Div., Bathgate School - north of

Riley and Shonis School - east of Tofield. She returned to teaching in Styal. In 1935 she married Harold Vague and later did some substitute teaching south and north of Halkirk.

For 26 years from 1946 - 72 she taught in the Sturgeon Division taking part in ATA affairs as Local Councillor, Convention Com. member and Vice President and President of the Local. She was an active member in sports - softball, basketball, dancing and curling, both as player and coach.

In her retirement she hopes to continue these interests - if not as a player, a spectator and "rooter."

Kinettes work on Christmas Hampers

The St. Albert Kinettes are again hard at work organizing the annual Christmas Hamper Bureau.

In order that the girls have an idea what they have to work with, they would appreciate hearing as soon as possible from local residents and business people who wish to make a donation.

Food, clothing, toys or cash will be greatly appreciated. Goods may be taken to 12 Gladstone Crescent,

or call Zelda Purdon, 599-4501, or Sharon Wingquist at 599-7075 to arrange for a pick-up.

Delivery date is set for December 20th.

The success of the Christmas Hampers in bringing a "Merry Christmas" to our less fortunate families depends on the kindness and generosity of the people of St. Albert, who have a fine record in this respect since the Kinettes infatuated the project six years ago.

Trustees fail to deal with 'gut' issues

The Editor:

With the Trustees' Convention just over, I cannot help but agree to a great extent with a comment made by Calgary Public School Board Trustee, Scott Saville, that the convention failed to deal with the real "gut" issues of education, that too much of the convention dealt with routine, "housekeeping" matters, offering little in the way of new direction in education.

Perhaps it is time that the ASTA seriously considered having an annual business meeting quite apart and separate from the main annual convention, thus giving real educational issues a "fair shake." Because really -- isn't that why the trustees are there in the first place??

The present format of the convention features several keynote speakers. Invariably, these speakers make sensational comments about some aspect of education. (Some of these, I'm sure, are just to stir the audience a little!) There the matter ends. The trustees and the other delegates present have no opportunity to react verbally or to question the speaker about the remarks made. That would, no doubt, prove interesting!

Interspersed between the keynote speakers on the convention agenda are the lengthy resolutions sessions. These sessions involve getting either an affirmative or a negative vote on a myriad of resolutions. Most years this is where the matter ends. Recommendations, based on the vote, are made to various government departments and organizations. Implementation of the recommendations is altogether too rare. (And, oh yes - there are the 'perennials' - those favorite resolutions that pop up year after year but, alas to no avail.)

Perhaps consideration should be given by the ASTA to the idea of a 'mail-vote' involving every school trustee in the entire province. Administratively, this is feasible as all the resolutions, and explanations of these resolutions are submitted, printed, and distributed to the trustees prior to the convention anyways. The results of such a 'mail-vote' could be announced at the actual convention. THEN, the trustees could dig in and get on with some concrete action and deal with real educational issues. Merely voting "aye" and "nay" seems like such a shameful waste of precious convention time.

It seems this was the year to tear the Worth Report to shreds. At least two of the keynote speakers pursued this course of action most vehemently. (I will be the first to admit that the Worth Report is not perfect. Yes, it does have faults, but to say that the entire report is rotten is going overboard!) What bothers me is that these vehement critics offer nothing in the way of constructive criticism. Maybe these critics would do well to start picking up a few of the shreds and to see what masterpieces they could come up with.

The Worth Report has made a lot of people sit up and start taking note. They are taking a good, long, hard look at what our whole educational system is about, they are becoming involved and they intend to influence the future course of education in Alberta. And perhaps -- just perhaps -- that is a little more than can be said about certain trustee conventions!???

Thanks Coaches

The Editor:

On behalf of the parents of the soccer players in the St. Albert area a great vote of thanks goes to all the coaches. Many hours of time and effort was given to this sport. A special thanks goes to Mr. and Mrs. Hopkin and Mr. and Mrs. Alliston who have been with soccer since 1967. Since 1967 the soccer teams have grown from 13 to excess of 20. The boys now range from 7 to 18 years of age.

A Grateful Parent,

Schools close too often

The Editor:

As a taxpayer and mother who is most concerned about the education system in our community as a whole, I read with "irritation" the ad published in the Gazette that the schools were to be closed Friday, November 10 for a "Teachers Workshop."

I feel as most mothers do that the schools are closed far too often for one reason or another. Surely these workshops and student interviews, teacher meetings (held first Wednesday of every month) could be held after school or weekends. In my experience as a long time member of the business world, if staff and management had anything to discuss pertaining to business matters etc., meetings were called after business hours.

U of A Band Plans Nov. 30 Concert

The University of Alberta Concert Band is coming to St. Albert once again. The band, under the direction of Dr. John Iltis, will perform its Christmas concert at Sir Alexander Mackenzie School on Thursday, November 30, at 8 p.m.

The U of A Band, acclaimed as one of the finest bands in Western Canada,

comprises 75 members from all fields of university life, as well as many previous band members.

The concert is being sponsored by the St. Albert Lions Community Band, who two years ago arranged for the U of A Band to perform to a large audience at Sir George Simpson School. The proceeds from the concert go

toward the band program offered in St. Albert, presently involving about 70 youngsters and adults.

Tickets are one dollar for adults and fifty cents for students, and are available from any Lions Band member or at the door the evening of the concert.

Calgary Power Refutes Charges By Cs. Lukay

Calgary Power's Edmonton regional manager has repudiated accusations that the company's employees "deliberately removed the telephone from its cradle" to avoid being plagued by calls and complaints during a six hour power interruption October 22.

Will Smith told The Gazette the company launched an investigation into the matter after charges from Councillor Frank Lukay

during the November 6th Town Council meeting.

"There were a few minutes during the restoration of power where our Trouble Headquarters Operator left the telephone unattended, in order to complete the switching procedure and restore power," said Mr. Smith. "But to charge the Company with deliberately doing so to avoid complaints is unfair, and does much to discredit both the company and

its employees involved."

Councillor Lukay stated during Council meeting that he had checked with AGT and they provided basis for his charges against the Company.

"We are a public utility serving the general public and it would be irresponsible on our part if this was done intentionally -- our employees know that, and if any Trouble Operator did so, he would be severely disciplined," continued Mr. Smith.

The regional manager said the company has invited a communications consultant from Alberta Government Telephones to review the present system, and make constructive suggestions as to how it can be improved particularly during times of trouble.

Calgary Power customers in St. Albert are encouraged to place their calls during emergencies and afterwards through the long-distance operator and reverse the charges.

In commenting on Town Council's letter protesting the extended outage that affected approximately 700 residents in the Forest Lawn and Braeside areas, Mr. Smith said he could appreciate the anxieties of customers wanting to know when power service would be restored.

"We explained to council the problems encountered once the job began, and we regret the inconvenience just as much as our customers did," said Mr. Smith.

He pointed out that although no guarantee can be given that further outages will not occur in St. Albert, every step and precaution will be taken to avoid a repeat of October 22.

Lions Club Aids Hospital

President Dick Ryley of the St. Albert Lions Club recently made a presentation of \$778 on behalf of the members, to Administrator Clifford Keyes for the Sturgeon General Hospital. The funds represented the Club's proceeds from the Lions-Shrine Sweepstake project, and Mr. Keyes was asked to make use of the money "wherever it would do the most good."

"We have many areas of need," said Mr. Keyes, and the support of the supper Lions in this most generous way means a great deal. The money won't be in the bank very long," he noted.

Around Town

The Red Onion, one of St. Albert's popular eating places in Grandin Shoppers Park is now featuring a folk singer Friday and Saturday evenings, from 9 p.m. until 2 a.m. Randy McLeanthrills his audience with a wide range of songs, from popular all the way through the entertainment spectrum to old favorites and folk songs.

It's not every place you can see famous old silent movies these days, but in St. Albert some fans have been catching such as Laurel and Hardy at the Bruin Inn this week. Albert Hauptman advises that these are now available to bars and so far seem to be catching on here. He plans to run them periodically while live entertainment is not being used. Charlie Chaplin - Tom Mix - Buck Jones - all the old favorites will be coming along. For the younger generation a whole new world is opening up.

Shelley White of 30 Gilmore Crescent, St. Albert attained the highest marks in Grade 5 piano following Western Board of Music examinations held earlier this year and was awarded the \$10 Robinson & Sons Music Award. Shelley scored an enviable mark of 82 percent and is a student of St. Albert music teacher Mrs. Lillian Upright.

About 24 tons of paper are being taking out of St. Albert every other week and recycled for further use, through the Brownies and Guides project, with bins every other week behind the museum. The benefits are

rather startling. Since it takes about 17 trees to make one ton of paper, about 200 trees are saved per week by this project. The 24 tons of paper don't need to be handled by garbage disposal, a saving of tax dollars. It is not burned - no air pollution. Plus the dollars per ton assist the good work of the Guide movement in our community. Mrs. Merle Vacirca is in charge of the project currently for the Guides, 599-7549. Bins behind museum this Saturday, Nov. 18 -- next visit Dec. 2nd.

Doug Millroy of 65 Sunset Blvd., is one of eight nominees for Alberta's Baseball Coach of the Year. Others are Dennis Lindstrand, Camrose; Lorne Radbourne, Grande Prairie; Joe Hoshowski, St. Francis; Gary Gregg, Edmonton; Gary Hildenbrand, Medicine Hat and Mrs. Norma Cleland and Elmo Hurt, both of Bow Island. The winner will be announced at the Alberta Baseball Association's annual meeting in Red Deer on Sunday, Mr. Mill-

roy has been a tireless worker in amateur ball in St. Albert for years, and was in charge of a bantam squad over the past season. The ABA stresses that the "Ted Rudd" Award places strong emphasis on sportsmanship, dedication and the coach's attitude toward his team, his opponents and the officials.

Thursday, October 19th marked the end of the boys' flag football houseleagues. As it turned out, the Aborigines with team captain Kelly Stanners came out on top. In second place were the Wildcatters headed by Dave Ammar. The Killers followed in third place, the Stampers in fourth and Crunch came out fifth. Girls' houseleague volleyball will be getting underway soon. We hope to have a good turnout.

Last minute heroics by goalie Wanagas lead Bruins to 1st win

Bruin goaltender Larry Wanagas was sensational in the nets throughout the game against the North Side Comets, Sunday afternoon in St. Albert as the Junior Bruins posted their first win of the season with a fine 5 - 4 victory.

Bruins took the lead at 17:37 of the final period on a goal by Doug Ferguson with assists going to Greg Hatch and Jan Kristensen. In the final 2 1/2 minutes Wanagas pulled off at least six or seven remarkable saves while Greg McRae was off for high sticking at 18:05, and Dave Lockhart took a roughing penalty at 19:07.

North Side Comets with the power play had some excellent scoring chances but Wanagas met the challenge and saved the day.

The game was probably the roughest of the season as North Side coach Len "Comet" Haley had his players hitting at every opportunity. Their unequalled for rough-house tactics got them in trouble as the Bruins scored three power-play goals.

Comets' Brian Foote opened the scoring early in the first period converting a fine passing play at 1:35 with assists going to Blaine Gregory and Brian Knoll. While the Bruins had the man-advantage, Kelly McAvoy scored from close-in to tie the game. Jim McComb and

Marcel Tourangeau assisted on the goal. Bruin forward Dave Lockhart took a stupid elbowing call at 13:49 and defenseman Lee Crozier scored on the power-play from the point at 14:51 to give the Comets a 2 - 1 lead at the end of the first period.

Comets opened the scoring quickly in the second period when Randy Moore scored on a fine passing play set up by Don Batchelor to give the visitors a two-goal lead. Midway through the period Bruins started to move and at 11:04 Marcel Tourangeau scored on the power-play to put the Bruins within one of tying the game. Greg McRae picked up the assist. Three minutes later center Jim McComb tied the game at 14:52 scoring from close-in with assists going to linemates McAvoy and Tourangeau. Comets had some excellent chances later in the middle period only to have Wanagas make some sparkling saves.

Play in the opening part of the third period went from end to end with both goaltenders coming up with some fine saves. At 7:38 the Bruins defense made a mental error of not taking the slot man out and Ernie Lazaruk drilled in a shot that Wanagas had no chance on for a 4 - 3 lead.

At 7:47 Comet forward Pat Crozier went off for holding and allowed the Bruins to put their power play to work. Coach Rick LeLacheur's strategy worked as Jan Kristensen finished off a fine passing play from Kelly McAvoy and Tony Lecuyer to tie the game 4 - 4 at 8:36.

With the Bruins smelling their first win of the season, Doug Ferguson popped in the winner at 17:37 to give the Bruins their winning goal. Greg Hatch and Jan Kristensen drew assists on the goal, Bruins were out-shot 21 - 18 but managed to have the better chances. Haley's Comets took 12 of 21 penalties called.

The victory must have given the Bruins a great morale lift as they went up against South Side Metros Monday night in the Edmonton Gardens and came away with a 5 - 5 tie. Once again Larry Wanagas was in the nets for the Bruins and held the high-flying Metros to the saw off.

Metros opened the scoring at 1:30 of the first period on an easy goal by centre Clarke Jantzie that somehow got past Wanagas. Bruins then tested Metro goalie George Pietersma and rang up three straight goals before the period ended. Jim McComb tied the game at 7:50 on a pass from Greg Hatch. At 8:28 Hatch let go a shot from the blue-line that trounced in off Pietersma's pad for the second goal. Marcel Tourangeau drew the assist. With less than two minutes left in the period, Craig Neeser scored from Hatch and Kristensen to put Bruins ahead 3 - 1.

In the middle period Metros took advantage of some Bruin mistakes and tied the game on goals by Les Drewick and Craig Styles. Doug Ferguson gave the Bruins the lead once again at 14:31 with a power-play goal. Kristensen and Neeser assisted.

In the final period Metros went to the attack and with just 1:26 gone, Jantzie picked up his second goal of the game to tie the score 4 - 4. Bruins again had their problems midway through the period and it took them as Styles scored at 12:18 to give the Metros a 5 - 4 lead.

With time running out, Bruins coach Rick LeLacheur sent out Jim McComb to take a face-off deep in Metro territory. McComb made no mistake as he got the draw and slid a perfect pass over to winger Kelly McAvoy who slid the puck home for a 5 - 5 tie. Metros took seven of 12 penalties handed out and outshot the Bruins by at least 15 shots. No official saves were recorded.

Bruins next game will be Friday, Nov. 17 when they travel to the Fort for a game against the Traders.

Comets still undefeated in league play this year

The high-flying St. Albert Comets are still without a loss in the Edmonton Central Hockey League after scoring an easy 9 - 4 win last Friday over the Sherwood Park Barons.

Comets came up with an earlier 4 - 3 win over Barrhead and salvaged a 2 - 2 tie with Leduc Oilers in the league opener.

Many local hockey fans feel the new 1972 squad is the best Comet club to take to the ice in many years. Rookie coach Gary Checknita has the boys playing excellent positional hockey and the rough-house tactics are gone. Comets old philosophy of "if you can't win - beat them in the alley" is fast disappearing and an excellent brand of hockey is emerging.

GARY CHECKNITA

Goalie Zane Jacobec came up with another excellent game. St. Albert took a 2 - 0 first period lead on goals by Al Laplante and Gary Check-

nita. Checknita's marker was unassisted at 19:07 while Jim Read and Checknita drew assists on Laplante's goal at 10:03.

Comets outscored the Barons 2 - 1 in the second period with Brian Stevens and Harvey Kirkland the marksman. Fred McKenzie allied for the Barons.

The final period belonged to the Comets and they again dominated the play and outscored Sherwood Park 5 - 3. Henry Hodgson scored twice in the final 20 minutes with single markers going to Laplante, Kirkland and Willard Hughes.

The game was cleanly played with only 11 penalties assessed.

Comets next action is Friday, November 17 when the club will travel to Leduc.

Sportshop Midgets Take A Pair

The St. Albert Sportshop Barons, midget B3 hockey club are undefeated in their first two league games. Saturday night the Barons scored two third-period goals to defeat Ardrossan 4 - 2 and on Sunday in Fort Saskatchewan they again came up with a pair in the third for a 6 - 4 win.

In the Ardrossan game,

Gary Bruins gave the Barons a 1 - 0 lead early in the game, but Ardrossan managed to tie the game before the period ended. Both clubs scored single goals in the second. Matt Lister tallied for the Barons.

Early in the third period Bob Wallis scored the winner and Roger Meunier popped in the insurance marker

with less than four minutes to play. Cary Wingquist played a strong game in goal for St. Albert.

In Sunday's game at the Fort, Roger Meunier scored three goals including the winner midway through the third period. Barons took a 3 - 1 lead after one period of play. D. Billsten, Claude Regimbald and Meunier scored for St. Albert.

In the second the Fort roared back to tie the game with three goals, while Meunier scored St. Albert's lone goal. Meunier notched the winner (unassisted) at 9:45 of the third and at 15:58 Gary Bruins put it out of reach.

Barons coach, Ted Lotocki said he was very pleased with his club's performance, and is looking forward to a good season.

Teachers win 3rd in a row

St. Albert Teachers, led by the two game performance of Joe Laplante, won their third game of the season with a 5 - 3 win over St. Albert Pharmacy Monday night. For the Pharmacy it was their first loss in three starts.

Teachers were never behind, taking a 2 - 1 first period lead on goals by Laplante and Len Bracco. Dave Joyal scored for the Pharmacy.

Laplante and Terry Wislinski raised the score to 4 - 1 after two periods of play and hung on to the victory.

Pharmacy scored two goals in the third by Dave Roberge and Dan Hagg. Father Collin Levigne put the game out of reach for the Teachers midway through the final period.

Last Thursday's action saw the Teachers trounce Grandin Gulf 7 - 2 with Ross Johnston and Dan Chuge scoring two goals.

Traders won their last game against St. Albert by a close 5 - 4 score.

Bruins next home game will be Tuesday at 7:30 when the Sherwood Park Knights come to town.

At end of fine season Hercules soccer plans future needs - clinics

On October 7 the Peeewe Cup Final was played at Grandin Field. This match between Brian O'Kelly's Flyers and Denny Gibson's Swifs proved to be the closest contest of the four finals. After 20 minutes of overtime the score was still tied 1 - 1 and the winner was determined by each team taking five penalty shots. Swifs' goalkeeper, Carmen Cook, made two excellent saves to clinch the cup for the Swifs.

A soccer questionnaire has been circulated among those who would be interested in rules of soccer, refereeing and coaching clinics to be held locally. Anyone who is 13 years or older in 1973 may apply. We are interested in determining which month, evenings or weekends are preferred.

Dettmar Cramer, internationally renowned coach of the Federation of International Football Association

(FIFA) is expected in Edmonton on Dec. 4 and 5 as part of his Cross-Canada Soccer Coaching Tour. On the evening of the fourth, Mr. Cramer will demonstrate coaching techniques with 8 - 10 and 12 - 14 year old boys and on the evening of the fifth with juveniles and seniors. As soon as times and locations are finalized they will be circulated.

On Sunday, Oct. 29 the mothers of the St. Albert Aloms held a banquet to honor their sons and coach Herman Kochan for their efforts in winning berths as finalists in the EMTSA Cup Final against their old rivals Lauderdale. Lauderdale won the final 1 - 0 and went on to win the Western Canadian finals with convincing wins over B.C., Saskatchewan and Manitoba but lost the Canadian finals 3 - 2 in overtime in Toronto. This gives some idea of the calibre of soccer which has

developed in St. Albert, with the EMTSA representative teams.

Among the guests at the banquet were Mr. Webster, president of the London Society, which sponsors Hercules, Mrs. Webster and Mr. and Mrs. Both also executive members of the London Society; Mr. and Mrs. Lloyd Hopkins, Mr. and Mrs. John Alliston; Mr. and Mrs. Tony Holden and Mr. and Mrs. Ken Armstrong.

The Aloms presented their coach Herman Kochan with a Coach of the Year Trophy for his efforts on their behalf and Mrs. Kochan with a bouquet of flowers. The boys were each presented with a miniature trophy.

Unfortunately the negatives of the awards of the cup and league trophies did not develop properly. If anyone has a photo of any of the presentations it would be appreciated if we could borrow them for later publication.

Those wishing to participate in any of the Soccer Clinics, please advise Ken Armstrong at 599-8081 by

Bantam team loses opener

St. Albert Fire Chiefs bantam hockey club opened their 1972-73 league season against Westlock here Saturday night and came out on the short end of a 5 - 2 count.

Westlock took a 2 - 0 lead early in the first period but Chiefs tied it before he period closed on goals by Lorie Loshak and Brad Sinclair. Westlock took a 3 - 2 lead in the second period and added the final two goals in the third.

Fort Saskatchewan, Barrhead and Ardrossan are the other teams in the league, which was won by Fort Saskatchewan last year.

Chiefs have been busy on the exhibition trail and Monday night tied 3 - 3 at To-field.

Chiefs took a 1 - 0 lead in the first period on a goal by Terry Leddy, but Tofield tied the score in the second. Lorie Loshak scored twice on one shift to give Chiefs a 3 - 1 lead early in the third, but Tofield got one back midway in the period and tied the game with 10

St. Albert boys enjoy workout with Youth Centre

During the summer Denny Gibson approached Hercules to assist in the development of soccer at the Provincial Youth Development Centre on 137 Avenue. Horst Unger and Peter Armstrong took the St. Albert Bantams out to the centre about five times and Tom White's Eagles visited the centre once. An excellent spirit of competition developed between the two groups of boys.

The boys at the Centre, who ages ranged from 14 to 16, made good use of the copies of the rules of soccer we supplied and after five games the competition was extremely close. The credit for the success of this venture was due to Denny's effort and personal interest in the boys involved. We look forward to a continuation of the series at the Centre in 1973.

Visit to hospital a learning trip for Kindergarten

The 40 students attending the St. Albert Protestant Kindergarten and Nursery School had mixed feelings last Wednesday during their familiarization visit to the Sturgeon General Hospital. The four and five year old visitors were escorted through the hospital's emergency area, x-ray department and the dispensary. Coming under the 'protection' of Mrs. Hunt, the youngsters were received by Mrs. Fleck, director of nursing while Dr. A. Prakash explained many of the 'mysteries' which surround a hospital in the eyes of

youngsters. According to Mrs. Hunt, the exercise serves to appease the fear of hospitals which exists in the mind of most youngsters and thus help them become more relaxed patients when they do have to receive treatment in a hospital.

Following their visit the children drew pictures of the impressions, which were briefly labelled by the teachers and presented to the hospital, where it is planned to put them on display.

This is the first time a visit to the hospital has been included in the many field trips planned annually for

the Protestant Kindergarten. The small fry also enjoyed a hallowe'en party recently, when their mothers were invited, and were able to observe sample teaching in the classes before the fun began. The teaching-learning program followed is quite flexible, but a formal program of learning and development by the two teachers, Mrs. Tess Kwak and Mrs. Jean Hunt, and their assistant Mrs. Muriel Maandag. Creative classes include artistic musical and rhythm expression.

Light Bulb Sale Nets Lions \$1000

Citizens of St. Albert turned on to support the St. Albert Lions last week during the service club's annual light bulb sale.

Project Chairman Bill Webber will provide a final report to the next meeting of the supper Lions Nov. 21 at the Purple Dude. Initial estimates show that sales have almost doubled last year's campaign, and more than \$1,000 will be raised this year. Profits help finance community activities of the Lions, with special emphasis on youth projects.

St. Albert MLA Ernie Jamison will be guest speaker at the Nov. 21st meeting. He will outline activities of the fall session of the Alberta Legislature, and discuss the Select Committee report on censorship.

In an effort to keep citizens more fully informed of Lions activities, a 12-page tabloid will be distributed to all homes this week. The Lion's Roar outlines the highlights of the two service clubs, their female counterparts Lady Lions, and Air Cadets for the 1971-72 program year. It will be distributed free of charge.

Mr. and Mrs. Armand Savoie of 3 Madison Avenue, St. Albert have become world figures without being aware of their fame until recently.

It all started in August of 1971 when Mr. and Mrs. Savoie spent an enjoyable holiday in the Rockies. While in Jasper, they took a trip up Whistlers Mountain via the skytram. At that precise moment their skytram was photographed in glorious color and ultimately used in a promotional brochure, distributed around the world by Jasper National Park's information bureau.

One year later, Mr. and Mrs. Joe Savoie of Edmonton who are related to Mr. and Mrs. Armand Savoie, visited Jasper, took a ride on the skytram and while

Lions All Set For Blitz Nights

The Breakfast Lions and Lady Lions wish to remind homeowners of St. Albert that they'll be out in full force Wednesday, Thursday and Friday, November 15, 16 and 17 collecting \$2 for the Family Birthday Calendars.

This is an annual Lion-sponsored drive to raise funds for local projects. Therefore, residents are urged to welcome the Lions on these three Blitz Nights and participate in a local fund-raising adventure.

Homeowners are simply asked to pay \$2 and for that amount you get your family's birthdays printed in the appropriate date-slot of the calendar pad, plus you get an attractive calendar delivered to your home. For only \$2 you thus get a ready reminder of important

birthdays plus a well-designed calendar featuring local businesses. Remember the triple blitz

nights are Wednesday, Thursday and Friday of this week.

Single Parents Plan Bowling Outing

The St. Albert Single Parents Group is planning an evening of bowling for Saturday, November 18, from 6:30, with refreshments following. All single parents in the community are welcome to join the group for this outing and those wishing to attend should telephone 599-4791 or 599-4897.

At the regular meeting in the Arts and Crafts Centre

Nov. 8th, the group discussed plans for the Christmas season at some length. It was agreed that a special meeting might be called in order to finalize these plans.

The next regular meeting will be held December 13 at the Arts and Crafts Centre. Anyone wishing information is asked to call 599-4897 or 599-4791.

Mrs. Maud Potter, Silver Cross Mother deposits a wreath at the Legion Cenotaph on Remembrance Day on behalf of mothers who lost sons during world conflicts. Mrs. Potter's son was killed in action during World War Two during the Italian Campaign.

Lady Lions induct new members

New members Eileen Fridmore and Babs Shottland were inducted into the St. Albert Lady Lions at their meeting Monday evening at the Purple Dye by Judy Simpson, membership chairman. Following the ceremony Roberta Freethy presented the inductees with the official Club Pin.

Guest speakers Stan Shottland of the Breakfast Lions, and Dick Ryley of the St. Albert Lions, spoke to the ladies on the aims and objectives of their respective clubs. Both Lions clubs have some impress-

ive and worthy projects in the offing, and the Lady Lions assist in the work the Lions are doing in the community.

The Breakfast Lions and some of the Lady Lions will be canvassing St. Albert this week with sale of Birthday Calendars. For a nominal price residents may receive a calendar and have their family anniversaries and birthdays printed thereon. The executive of the Lady Lions meets November 27 at the home of Elsie Snider.

Club executive concerned with skating safety

Some of the problems a club runs into when it gets to be the ungainly size of the St. Albert Figure Skating Club were discussed at Monday nights meeting of the club.

Pat Lockart, who is in charge of the Power Skating, and trying to bring local children into this fine pro-

gram, is most interested in enlisting any potential support he can get. If you have a youngster in this program and have not heard from Mr. Lockart, you probably will be contacted by some of his hard working group soon.

A good part of the meeting was spent discussing

Older folk enjoy slide showing by Father Joly

The Senior Citizens enjoyed a delightful afternoon on Nov. 9th in the Community Hall. Father Joly showed color slides of his trip to the Holy Land, Rome and Greece, fully describing the points of interest in their religious historical significance and customs of the people, living in the Arabic Land. The Senior Citizens wish to Thank Father Joly for making the after-

noon so enjoyable and hope they have the pleasure of having him again with us.

With the Christmas season near at hand the Senior Citizens would appreciate volunteers of various performing groups to entertain them at their meetings. Those interested in an appreciative live audience please contact Mrs. Nora Lancaster - 599-6253.

A teacher wrote this note to Johnny's mother: "John is a good student, but I must find some way to take his mind off the girls."

Johnny's mother sent back this reply: "If you find a way, let me know. I'm having the same trouble with his father."

concerns about the safety of children. Mrs. Jacque Malinowski, who supervises the Penguins, would like parents to know that she firmly believes youngsters will be safer with a well fitted protective helmet for lessons and practice periods. Mrs. Malinowski urges all parents to get helmets for their wee ones, yes, girls too - and then insist that they wear them.

Logo Design Contest

St. Albert Historical Society has extended the deadline for submission of entries for the logo contest. Entries should be into Renee Laird, secretary, at Town Hall, by November 30.

The Society is looking for a symbol or idea for a simple line design which relates in some way to St. Albert and its history. When found it will be used on membership cards, letterheads etcetera.

A prize of \$10 will be awarded in each of three classes, and a grand prize of a framed picture of early

Over 400 Attend Teacher Institute

On Friday November 10, students of grades 1 to 12 attending schools in St. Albert, Sturgeon, Legal and Thibault enjoyed a day-off from classes but not the teachers. On that day, for the third consecutive year, about 400 teachers coming from one of the five school systems in this area participated in an all-day institute, held in the St. Albert High School and co-sponsored by the ATA and school systems of the area.

The theme this year was 'Language Arts', with emphasis zeroed-in on learning problems. Speakers (or resource experts) were

drawn from the University of Alberta and the greater Edmonton area systems, who provided the leadership during workshop sessions which lasted all day.

In view of the large enrollment, the 400-plus educators were split into small and more workable groups, having teaching grades and subjects in common. "This way," Mr. Anton Hesley, professional co-ordinating chairman of St. Albert ATA Local 66 said, "we had working groups studying common problems." He gave as an example Language Arts Grades 1 to 3

where there were about 20 teachers coming from all five representative systems studying learning problems in that specific age group and subject.

The Steering Committee in charge of the Teacher Institute included Anton Hesley, St. Albert ATA Local 66, Muriel Martin, assistant superintendent of No. 6 Protestant School District, George Soetaert, supervisor of instruction, No. 3 Public School District, Judy Urgan, Sturgeon ATA Local and Walter Hepler, assistant superintendent Sturgeon School Division No. 24.

On Wednesday, Nov. 1st, Miss Henriette Auger was feted at a miscellaneous shower at the Legal Community Hall, given by her bridesmaids Miss Sylvia Auger and Miss Marjolaine Chamberland.

Seated at the head table were Henriette, her mother, Mrs. Real Auger and her future mother-in-law, Mrs. Nick Borduzak.

Some 100 ladies enjoyed themselves at a few games. Henriette received many beautiful gifts which she will

find very useful in her new home. She thanked her guests warmly, especially those who worked so hard to make it all possible. The evening was ended with a delicious lunch.

Henriette will become the bride of Mr. Jim Borduzak on November 18.

Jim Borduzak and Henriette Auger were feted at a social evening at the Community Hall on Nov. 11. A purse was presented to the happy couple on behalf of everyone present.

Filles de Jesus to be honoured in Morinville

By Rose Martel

On Sunday, Morinville Parish Council will host a Farewell Appreciation Day program in honor of the Order "Les Filles de Jesus". Members of the order lived and taught in Morinville for 68 years prior to the departure of the last three members earlier this year.

"Because you have been faithful over a few things, I will set you over many; enter into the joy of your Master," (Matthew 25:21) will be the theme of the day.

More than words are needed to express the gratitude of the entire community to the "Les Filles de Jesus, who gave their services from 1904 - 1972 to St. John the Baptist Parish, and who were in charge of all local schools locally for more than 50 years.

Their stay in our community has imbedded good moral values in our society. It is therefore with great anticipation and gratitude that the people of Morinville and district are arranging a farewell tea, next Sunday afternoon, Nov. 19, which everyone is welcome to attend.

Invitations are extended to all citizens, parishoners, and students of the present generation, and those of yester years, who have benefited of their superior teaching. The tea will provide a happy opportunity for all former students of Notre

Dame Convent or Thibault School, to pay their respects to members of the congregation, who served this town and district for so many fruitful years of christian education.

Bishop Raymond Roy will celebrate a thanksgiving mass in their honor at 2 p.m. Mass will be followed at 3 by the Farewell Tea in the Recreation Centre. Presenta-

tions will be made and songs of circumstance rendered by school choirs.

An historic address will be read and a calrain memory of Les Filles de Jesus will be unveiled, marking their great contribution to the parish and community.

The motto of the day will be "Laborare est Orare" - "To labour is to pray" - "Work is to Worship."

Senior Citizens meet in Calahoo

By Liz McLeod

On a mild evening, Nov. 8 21 senior neighbors and friends gathered for their regular bi-monthly meeting in the Gazebo to visit and play darts, cards and bingo. A short business session followed and it was decided to hold their gatherings in the afternoon during the cold weather. Henceforth the Golden Age Club as it is known, (but maybe changed) will meet in the Gazebo at 1 p.m. till 4 p.m.

Since our winters get pretty nippy at times, it was decided to listen to the temperature on CFRN at 10 a.m. and if it is MORE than 10 below zero the meeting will NOT be held.

The club will purchase their own coffee urn. Discussion on a title was tabled till president Dina Groppe is present.

The next gathering will be on Nov. 22 at 1 p.m. in the Gazebo. Visitors are most welcome.

STURGEON

The Gazette unfortunately added quite a number of years to the age of Maureen Saumer, plus creating a false impression, in our article last week, when we said she had been a bookkeeper for Vera Lynn during the war. Maureen, who was a youngster in school at the time, was a great fan of Miss Lynn, and very sorry to have missed her, due to having to leave the Preston Guild celebrations a day or two before the appearance of Vera Lynn at the festival. Maureen's booking agency career began some years after she came to Edmonton, when she joined the W.B. Agency. Mrs. Saumer is a resident of Fairhaven Park.

MORINVILLE MEMOS

A total of 59 Blood Donors registered at the Nov. 6th Red Cross Blood Clinic. It is hoped that the sponsors will return to a Wednesday evening next year. Monday night is meeting night in Morinville.

Among those attending the UGC Annual Convention in Regina last week were National Director, John Stevens, and Andrew Lutz, representing the Mearns-Morinville Local.

Congratulations to Mr. Jack Stevens of Morinville, who has been appointed by Agricultural Minister Dr. Hugh Hornor, to the Alberta Agricultural Board.

On Sunday, November 12 Mr. Joseph Meunier, formerly of Morinville celebrated his 90th birthday at Chateau Sturgeon in Legal, with a huge birthday cake and all the trimmings.

brated his 90th birthday at Chateau Sturgeon in Legal, with a huge birthday cake and all the trimmings.

Last Saturday, Mr. John Gauthier, 88, accompanied by his son, Roland, from Red Deer, took off International Airport for his first flying trip, in a jet to Vancouver. He returned on Sunday evening.

On November 9, 28 Morinville Senior Citizens were guests of Mr. Ernie Jam-

son, MLA at the Alberta Legislature in session. All returned in good spirit, after watching the government in action. During the afternoon visit, a lively debate was in action with Dr. Hugh Hornor, deputy premier, holding his own as usual, against the opposition members.

Among those reported in hospital are Henriette Labonte, Donat Taillefer, Lynn Champagne, Mary Wiley, Tom Houle, Louis Proulx, Melvin Hittinger.

Femmes Chretiennes plan busy season

By Lucienne Montpetit

Les Femmes Chretiennes held their monthly meeting on Nov. 6 with a good attendance of the members with their husbands.

It was agreed that the members will have their Christmas party with their husbands on Dec. 9 at the Rec. Centre.

The entertainment committee for the Senior Citizens will hold a Bingo at the Chateau on Sunday, Nov. 19 at 8 p.m. Everyone is welcome. Proceeds to buy gifts for the Senior Citizens.

It was also mentioned that anyone wishing to purchase French Christmas or all-occasion cards can do so at the Candlelight Card Shop on the Mall at Grandin Shopping Centre.

pers Park in St. Albert. The social evening in honor of our devoted nuns, Sister Simard and Sister Blanchette was also mentioned.

The tickets distributed at the meeting for the raffle of the "Christmas Fund" sponsored by the Diocesan committee should be returned to Mrs. Wilfred Lecavalier before Nov. 20.

The next meeting will be held on Dec. 4 with special guest Miss Pat Prymak, Home Economist, who will be speaking on Festive Ideas such as gift wrapping, holiday foods and clothing etc. for the festive season.

Calahoo News

By Liz McLeod

The Calahoo Sports Association are looking forward to a good turnout on Nov. 18 in the Gazebo to the film, "Wild Country" at 8 p.m. The ladies prepare bags of popcorn for all who attend these shows, as an extra attraction.

St. Catherine's Parish is grateful to everyone who attended the potluck supper, Nov. 5 and stayed to play bingo in the Gazebo afterwards and to the ladies and workers who prepared the delicious meal. While there wasn't too large a turnout, due to the snowstorm, it's always nice to meet old friends and neighbors we don't otherwise see often.

We are so pleased to see Mr. Frank Gawron home again and looking well. This fine gentleman had a long stay in the Sturgeon General Hospital after surgery, but is convalescing in fine style.

Mrs. Dina Groppe is presently visiting in the city at Mr. and Mrs. Oscar Campeau's. Dina is also convalescing from surgery and everyone wishes her well.

A former resident of Calahoo, now living in the city is Mrs. John (Vi) Matka, who is also recuperating after major surgery. Vi was a very energetic women's institute member while here and we are all thinking of you. Get well soon Vi.

Al and Cheryl Knorr (nee Matka) were recent visitors at Cliff and Diane Fowler's to let them have a look at their bundle of joy, a daughter, Terry Lynn Patricia, born October 2 and weighing 7 lbs. 2 oz. Cheryl and Diane are sisters. Cliff's brother Tom, who is visiting, had the same pleasure.

Alice Warren is having an extended visit at Emelia Schermund's. While here her daughter-in-law, Maryanne with daughters Maureen and Diane stopped by for a visit since Maryanne, who is Alberta's President of CWL, had come down to Edmonton from Fort McMurray for a three day convention.

Mr. Robert Warren and daughters were also out at Gordon and Emelia's and it was learned that their daughter Judy is presently in hospital.

Mrs. Edith Blanchard en-

joyed a visit with Gordon and Emelia since Gordon had a weekend pass.

Norman and Hilda Gibbs brought sister Bertha Chapman out for a week's visit at Pats McLeod's. Will and Judy Baron are now the proud owners of a home in Edmonton, Judy is Bertha Chapman's daughter.

At a recent gathering at Mr. and Mrs. John Carty's on Nov. 3, several W.I. members gathered for the Tupperware party. Anna was pleased to have her daughter and son-in-law, Doreen and Duane Schneider with children Darcy and Cara bring her mother Mrs. Mary Vobeyda from Barhead, other close friends present Mr. and Mrs. Gordon Krehling from Fort Assiniboine and Gerald and Shirley Sommers and 10 month old Wanda from Tiger Lily. Mrs. Carole Grant from Edmonton also enjoyed the gathering.

ing.

Grant and Angie Moellmann were saddened by the news of the death of a very dear friend, Mr. Bob Everitt from Oregon who was killed in an accident during a heavy fog recently.

When Angle's brothers went into partnership up at Fort McMurray it didn't work out so well since Lionel and his wife weren't happy there. They returned, but Emile Royer found training a native very profitable so is staying on.

Calahoo's recreation program is now in full swing. The instructors are busy every Monday night. Some 40 enthusiasts are taking lessons in Christmas decorations, candlemaking and the like using both buildings, the Gazebo and the church basement hall. The program was arranged by the Sports Association and Laurent Coulombe of the Sturgeon Recreation Board.

RQB Beef Club Begins 3rd Year

By Danny Sheehan

The Riviere Qu Barre 4H Beef Club began its third year last month with 24 members, one leader and two assistants.

Members elected Kevin Boddex as president; Sarah VanTighem, vice president; Carole Perrott, secretary; Bernice McGillis, treasurer and Danny Sheehan, club reporter.

Gordon Fuhr was elected as leader with Allen McDonnell and Roy Como, assistants.

Most of the members calves were weighed, tagged, treated for warble and vac-

inated for blackleg at Allen McDonnell's farm, Nov. 8, and the club is off to another busy year.

AROUND STURGEON

People of Legal and district are gathering on the evening of November 24 (a Friday) for a rather special evening. Two sisters, both of whom have taught for 25 years in the village school will be honored, and their many former students will have the opportunity of coming to pay their respects to these two devoted women, and enjoy an evening of good fellowship.

Sports meeting sparks discussion in Morinville

By Rose Martel

A poor turnout of only 15 people attended the annual Sports Association meeting Maurice Van Brabant was re-elected president for another year, vice-president, Abe Carlson; secretary, Mrs. David Kegler; treasurer, Douglas Halmer. 1972-73 directors are: David Kegler, Jim Rousseau, Leon Schayes, Ray Gibeau, Simone Chevalier and Evelyn Van Brabant.

A letter of resignation was received from Paul Krauskopf as treasurer. Mr. Van Brabant thanked Mr. Krauskopf for his unselfish effort to promote the organization, and the many hours of work he had put in to the Sports Association.

Mr. Van Brabant also gave a report on the repairs and improvements made to the arena under the (LTP) Plan.

Some discussion was held on Season's skating tickets. The 1972-73 price has been increased by \$2, to \$5 per person or \$10 per family.

A board member referred to some complaints from

the local citizens about the Senior Hockey Club. This spurred a lively period of discussion, but no solution. It was the opinion of some present, that if individuals

do not attend meetings, they have no right to make comments, without identifying themselves, and proving their point, in a situation where most of the work is done by a few.

Julie Lesburg Heads Villeneuve 4H Club

By Philip Terrault

The Villeneuve 4H Beef Club officially launched its year of activities on Monday Nov. 6. New members were welcomed to swell the membership to an all time high enrollment of 15.

Elections for a new executive were held and the following have been declared in office for the forthcoming year: President, Julie Lesburg; vice president, Norah Terrault; secretary, Denise Kerchof; treasurer, Jocelyne Durocher; club reporter, Philip Terrault; club leader, Real Durocher; head assistant, Marcel Kerchof.

A turkey bingo and Italian raffle is scheduled for 8 p.m. Dec. 10 in the Villeneuve Hall. Bingo players

will be charged \$2 per person and extra cards will be available at 50 cents each or 3 for \$1.00.

The Awards Night was held Saturday, Nov. 11 with The Satellites providing the music for a wonderful crowd. Awards were made to the following, by Past-President Valerie Durocher to David Soetaert, Denis Kerchof, Gary Soetaert, Debbie Kremer, Denise Kerchof, Philip Terrault, Darrel Kremer, Jack Kerchof.

A car came to a stop in a downtown street and the driver asked a man on the curb, "Say, where's 42nd Street?"

"I'm a pedestrian," the man replied. "I don't help automobiles!"

Clearing the air about nitrogen.

MORE AND MORE FARMERS ARE SWITCHING TO Elephant Brand 46-0-0

...AND HERE'S WHY:

- 46-0-0 is the highest analysis dry nitrogen fertilizer available.
- 46-0-0 requires less handling and less labour to apply than 34-0-0 or 21-0-0.
- 46-0-0 provides nitrogen as well as or better than 34-0-0 or 21-0-0.
- 46-0-0 can be mixed with 11-55-0 to give the highest analysis blends available.
- 46-0-0 is an ideal fertilizer for fall application. The nitrogen in 46-0-0 is converted to the ammonium form which won't leach or wash out of the soil.
- 46-0-0 is non-acidic so it's far less corrosive to your equipment than 34-0-0 or 21-0-0.
- 46-0-0 has less tendency to draw moisture from the air than 34-0-0 or 21-0-0 — making it easier to store and apply.
- 46-0-0 is non-explosive so it's safe to handle and store.
- 46-0-0 is available from your Elephant Brand dealer. He's the man who offers a complete fertilizer service — from soil sampling through to application.

Ask your Elephant Brand dealer about high quality — high analysis 46-0-0. He offers service from the word grow.

BON ACCORD ACTIVITIES

By Sadie Allen

Senior basketball teams are being sponsored by the Bon Accord Community Centre Board for entry into a Sturgeon League. Anyone interested in joining a team should phone Bill Carleton at 298-2105. It is important now so that plans for the league may be proceeded with. Volleyball is also being promoted. Interested? Call Bill.

Badminton got underway at the school on Monday, Nov. 13 with the reorganizational meeting slated for Monday, Nov. 20 at 7:30. Anyone 18 and over is cordially invited to attend.

Edith Kowalski, Rita Milligan, Dorothy Rigney, Sharon Davis and Taras Ferbey attended the 4H leadership convention held at the Macdonald Hotel on the 6, 7 and 8 of November.

Close neighbors held a housewarming for Peter and Loretta Engley and daughters Diane, Roberta, Margaret and Teresa on Saturday, Nov. 11. On behalf of those present, Wes Carleton presented the Engley's with a wood carrier for the fireplace.

Hobbycraft classes are enjoying a record attendance with 56 enthusiasts registered. So far the ladies have tried their hand at forged foil decoration, decoupage,

candlemaking, decoupage eggs and candle holders. In handling the instruction for the large turn-out, leader Mable Veran has been ably assisted by Marilyn Carleton.

The handicraft course which will be offered by Edith Kowalski later on in the season will be in primitive weaving on a Salish loom and is a separate course from the one in macramé offered last year. The Salish loom is simply constructed and if you have a handyman around perhaps you could contact Edith for details and have your loom ready when time for the course in primitive weaving rolls around. Looms may also be purchased and are not too expensive.

The fall supper sponsored by the United Church Women was a great success. The ladies wish to thank the record number who attended and all those who contributed to the success of the venture through their donations of food and assistance.

Get well wishes are extended to Karen Luchka and Robert Owen.

Ethel Samis has joined the 4H Food Club as assistant leader to Edith Kowalski. Ethel should prove a very valuable assistant, having won the Edmonton Exhibition Trophy for the grand aggregate in culinary arts this past summer.

By Jocelyne de Champlain
The Vimy 4H Sewing Club held their November 8 meeting with Lucy de Champlain in the chair giving a few words of welcome to new member, Mrs. Lucille Ringuette. For roll call, the girls brought a sample of material telling the characteristics of it.

Mrs. Brown, leader, informed the club that at the District and Council meeting, a motion was passed that the club representative was to be the club leader and a junior representative. The club voted for Jocelyne de Champlain as club reporter.

A letter from the Westlock Carnival Queen Contest invited us to participate but

the girls decided to have their own raffle instead.

The "Little Echo 4H Clothing Club" invited us to attend their variety show on Dec. 9, asking us to put on 15 minutes of entertainment. The girls were delighted with the invitation and agreed to go to the evening with a selection of numbers.

The "Echo Hill 4H Beef Club" also invited club members and friends to attend their turkey supper on Nov. 18.

The girls decided on which design they liked best out of the club crest box. The one chosen will be sent away to get made as club crest.

The leader and assistant leaders commented on the 4H Conference they attended.

Mrs. Lucille Ringuette volunteered to make a book on Fabric Samples which Mrs. Dubois had collected from various stores before the meeting. Her helpers are: Jocelyne Fortier, Jocelyne Huot and Rossane Dubois.

For the next business meeting, Dec. 6, the club will hear speeches from the following: Jocelyne Fortier and Rossane Dubois - Towards a Prettier You; Darcy Didier, Celine Dubois and Carmen L'Heureux - Towards a Nicer You; Cecilia Montpetit and Nicole Courseau - Clothing Care; Jocelyne Fortier and Cecilia Montpetit and Elaine Huot are to bring the Iron and the Iron board to our next sewing meeting.

Calahoo Offers Driving Course

The defensive driving course of the Alberta Safety Council will be offered by the Calahoo Sports Association on November 23, 30 and December 5 and 7.

To be held in the Gazebo, beginning at 7:30 p.m., this course is an excellent way to improve your driving skills. If you wish to register, please contact Henry Bergstreiser at 932-5612.
